"Creativity is a spark. It can be excruciating when we're rubbing two rocks together and getting nothing. And it can be intensely satisfying when the flame catches and a new idea sweeps around the world."

- Jonah Lehrer

"Some people don't like change, but you need to embrace change if the alternative is disaster."

- Elon Musk

"Technology is best when it brings people together."

- Matt Mullenweg

"Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world."

- Desmond Tutu
